Fort Lawton Historic Guidelines**

The Magnolia Historical Society has participated in the long and very thorough and productive process in getting good guidelines for the Fort Lawton Historic District. We are in full support of the documents as they stand. We are confident that the Historic District will be preserved as a result of this work and are satisfied that the guidelines provide a balanced and relevant set of rules and regulations to do that. We thank Karen Gordon for her hard work, patience and guidance throughout this work.
